It's easy! Start here! Just tell us a GENERAL area (for the love of GOD don't doxx yourself. No profession outside of DMs, don't tell us your address, we just need to start with a general region to organize get together) and then respond to each other if they are nearby. It isn't much, but it's a start! The more we can connect with each other before go time the better we will be!

▼ Guys, there are already active organizations EVERYWHERE, and we aren't very hard to find.
Also, for obvious reasons, don't do it here.
